

Public invited to Business Showcase 2011

“Connecting you with local business”

Women in Business Luncheon was success

Over 70 women were in attendance for the Chamber's fourth annual Administrative Professionals/Women in Business Luncheon.

Keynote speaker Jackie Gingrich Cushman inspired the ladies in attendance to live their best life. Jackie encouraged her audience

to fulfill their God-given potential by being true to themselves.

The Women in Business Luncheon, held on Administrative Professionals Day, is an annual event set aside to celebrate all the wonderful women in this community.

Many employers sent

their special co-workers to enjoy the luncheon in recognition of their dedication and hard work. Each attendee received a special gift, enjoyed a delicious lunch and listened to the dynamic guest speaker, Jackie Gingrich Cushman.

Jackie is the daughter of former Congressman and

possibly future presidential candidate, Newt Gingrich.

Thank you to the sponsors of this year's Administrative Professionals/Women in Business Luncheon: Anytime Fitness, Zest2Zeal, New Beginnings, Habitat for Humanity-Women Build, Brabraland and Baby-Laud General Hospital.

Women in Business luncheon to feature Jackie Gingrich Cushman

The White County Chamber of Commerce will host its fourth annual Administrative Professionals and Women in Business Luncheon on Wednesday, April 27. The keynote speaker will be Jackie Gingrich Cushman.

Administrative Professionals Day is that special day of the year when we can take the opportunity to convey to our secretary, personal assistant or administrative assistant just how much we appreciate their year-long faithful and unobtrusive contribution to our business success.

Cushman

This event is an ideal opportunity and a very special, personal way to convey appreciation of the consistent back up these essential staff members so faithfully provide.

The luncheon will be held in the BabyLand General Hospital Crystal Ballroom located at 300 N.O.K. Drive in Cleveland. Each guest will receive a special gift and door prizes will be awarded.

Mindful of the business needs of those attending, the luncheon will begin at 11:30 a.m. and end no later than 1 p.m.

Give your special women employees a well-earned thank you and a memorable Administrative Professionals Day. Send them to our "Administrative Professionals and Women in Business Luncheon."

Your thoughtful appreciation will be remembered long after the event. Women entrepreneurs are encouraged to treat themselves as well to a much-deserved motivational experience.

Tickets are available at a cost of \$20 per person and can be obtained by calling the chamber office at 706-865-5356.
